16 March 2020

Dear Parent(s)/Carer(s)

The well-being of our children, families and staff is at the forefront of everything that we do in school. With the situation our society is currently facing, I can assure you that we are fully implementing the guidance given by our government.

We have had hand sanitiser dispensers installed around school and we are encouraging thorough hand washing throughout the day.

It is with the well-being of our children, staff and parents in mind that we have made the decision to cancel parent consultations this week in school.

You will be sent home a copy of your child's mid-year report written by your child's teacher(s).

We are also offering telephone consultations to those parents who would like one. Once you receive your child's mid-year report (these will be sent home on Friday), please indicate on the slip provided whether you would like a telephone consultation. Your child's class teacher will then contact you to speak to you about your child.

Should your child have a Support Plan or a One Plan, Mrs Skilbeck will also be offering telephone consultations regarding your child, rather than holding a review meeting in school. Support Plan and One Plan documents will again be sent home by the end of this week. Should you wish to have a telephone consultation with Mrs Skilbeck, please contact the school office on 01325 380790.

Please note the Year 6 Trip to The Workplace in Aycliffe for the Safer Future Life Event on Friday 20 March has been cancelled.

If you have any queries please do not hesitate in contacting me in school.

Regards

A Sinclair

Mrs A Sinclair
Principal
