

The Education Village Academy Trust (EVAT) has three tiers of governance consisting of Members, a Board of Trustees and Education Standards Committees.

The Board delegates certain responsibilities and tasks to Committees such as the Finance, Audit, Risk and Resources Committee, who approve and monitor the Trust's budgets and oversee financial propriety and process. All Committees must communicate any concern or issue it identifies to the Board of Trustees at the earliest opportunity. At the end of every meeting, committee members should review the proceedings and agree any matters it should bring to the attention of the Board. Where a matter for the Board is identified, the Clerk for the meeting will bring it to the attention of the Chair of the Board and the Chief Executive.

The Scheme of Delegation sets out the responsibilities for each Board or Committee. Details about membership and a summary of key functions for each are below.

Further information about Academy Trust Governance, including structures and role descriptors can be found [here](#).

- To receive minutes of Trust Board meetings, in order to be informed about Trust business and provide assurance the Board is exercising effective governance. Members can, by special resolution, direct Academy Trustees to take a specific action where Trustees are unable, or unwilling to act in the best interests of the Trust. Members should consider using this power if they believe the trust board is failing to carry out its core functions, or is acting unlawfully. Other examples of when members might consider issuing a direction to Academy Trustees include where they believe an external review of governance should be carried out and the Academy Trustees have not done so, where the board has failed to act on child safeguarding, and where the academy trust is in breach of its funding agreement.
