September 2020

Dear pupil

Invitation to Haughton Academy's Open Evening

As you may be aware year 6 open evenings will not be taking place in their usual format due to the Covid-19 restrictions. However, each school will be creating a virtual evening for their website and I am writing to invite you to view Haughton Academy's evening on our website **from 6.00pm on Monday 21 September 2020.**

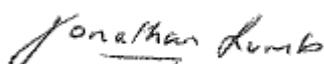

As you know, in the coming months, you and your parents/carers will have to make a choice as to which secondary school you would like to attend starting in September 2021. This is a big decision, and we are proud to offer you and your family the opportunity to explore our extensive grounds, world-class facilities and innovative building through the academy website using the following link <http://www.educationvillage.org.uk/haughton-academy/pastoral/Year-6-Information/>.

During your virtual tour, you will discover our state of the art resources, including our TV studio, virtual reality facilities, Apple iMac suite, 25m swimming pool, hydro therapy pool, our industry standard design technology suites, purpose built dance studio and multi-purpose Learning Resource Centre which hosts a variety of family learning activities. I am also delighted to let you know that our new half million pound, floodlit, 4G Astroturf sports pitch, is up and running. You will also have the opportunity to view videos from each of our specialist subject leaders and members of staff, who work tirelessly to ensure that each one of you has the opportunity to flourish by developing your skills and knowledge that you need to progress and build successful, happy lives.

At Haughton Academy, we believe in every pupil. We want to provide the best possible experience for you. We are all committed to ensuring the delivery of the highest quality teaching and learning, enrichment experiences and student leadership opportunities, by working together with you and your family. We are the champions of transition and if you choose our academy, we will offer an extensive one-week transition period in June 2021, during which you will have the opportunity to get to know your peers and teachers to prepare yourself for life at Haughton Academy.

We would also like to offer individual tours with a member of our senior leadership team for those of you who wish to look around the academy. These will be available from Tuesday 22 September to Friday 25 September between 4.00pm and 6.00pm when the academy is closed to our pupils. If you wish to book a tour, require any further information or would like a prospectus posted to you, please call my Personal Assistant, Mrs Tina Barnett on 01325 248111 who will be happy to help.

Yours faithfully

Mr J Lumb
Principal of Haughton Academy
