

Governance Meetings - Attendance Records September 2021 – July 2022

The Academy Trust Handbook states that Trustee and Governor 'attendance' at meetings must be recorded and published on the Academy website for the last academic year.

The Education Village Academy Trust (EVAT) have separate meetings called Education Standards Committee meetings (ESC's), these focus solely on the individual Academy.

Not included in this table are *Governor Training sessions, other more informal ESC meetings or governor visits into an academy.*

The CEO attends a meeting of each ESC, usually in the autumn term and other meetings during the year as required. The Chair of the Board of Trustees also attends a meeting at each Academy during the academic year wherever possible.

From November 2020, in accordance with the Academies Financial Handbook, Trustees made the decision to rename the Support and Resources (S&R) to the Finance, Audit, Risk and Resources (FARR) Committee.
