Statement of Intent

The Education Village Academy Trust believes that a consistent school uniform policy is vital to promote the ethos of the Trust and its schools and provide a sense of belonging and identity for all pupils, regardless of their protected characteristics or socio-economic circumstances.

This policy lays out the measures the Trust and Gurney Pease Academy have taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all pupils, is affordable and the best value for money for the school and pupils' families.

We believe that pupils learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in such a way that sets an appropriate tone for education.

Legal Framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Education and Inspections Act 2006
- Education Act 2011
- Human Rights Act 1998
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018

This policy has due regard to all relevant guidance including, but not limited to, the following:

- DfE (2021) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2021) 'School uniforms'

This policy operates in conjunction with the following Trust and school policies:

- Complaints Policy and Procedure
- Gurney Pease Academy Engagement and Mood Policy (Behaviour)
- Equality and Diversity Objectives Policy
- Finance Policy

Roles and Responsibilities

The Chief Executive Officer (CEO) is responsible for:

- Establishing, in consultation with the Principals, Education Standards Committee Members (ESC) and school communities, a practical and smart school uniform that accurately reflects each school's visions and values.
- Ensuring that school uniform is accessible and inclusive and does not disadvantage any pupil by virtue of their protected characteristics or socio-economic status.
- Considering the opinions and wishes of parents, carers, pupils and the wider school communities regarding changes to the school uniform.
- Demonstrating how best value for money has been achieved in the uniform policy.
- Ensuring compliance with the DfE's '[Cost of school uniforms](#)' guidance.

The Principal is responsible for:

- Enforcing school uniforms on a day-to-day basis.
- Ensuring that teachers understand this policy and what to do if a pupil is in breach of the policy.
- Listening to the opinions of the school community in regard to the school's uniform and making appropriate recommendations to the Board of Trustees.

Staff members are responsible for:

- Ensuring that pupils dress in accordance with this policy at all times.
- Praising pupils who fully support and wear their uniform correctly
- Ensuring that pupils understand why having a consistent and practical school uniform is important, e.g., school identity.

Parents/carers are responsible for:

- Providing their children with the correct school uniform as detailed in this policy.
- Informing the Principal if their child requires a more relaxed uniform policy
- Ensuring that their child's uniform is clean, presentable and the correct size.

Pupils are responsible for:

- Wearing the correct uniform at all times, unless the Principal has granted an exemption.
- Looking after their uniform as appropriate.
- Understanding and respecting why a school uniform is important to the school, e.g., school identity and community.

Cost Principles

Beaumont Hill Academy (BHA) and Marchbank free School (MFS) are committed to ensuring that our school uniform is affordable and accessible to all pupils and does not place an unreasonable financial burden on parents.

In accordance with the 'School Admissions Code', the Principal will ensure that the uniform policy does not discourage parents from applying for a place for their schools.

The CEO and Principal will assess the overall cost implications of the uniform policy regularly, including prior to making any changes to the school uniform. When evaluating whether costs are reasonable and proportionate, the school will consider the opinions and situations of:

- Economically disadvantaged parents.
- Parents with multiple children who are, or will be in the future, pupils at the school.
- Parents of younger children, as they are likely to grow quickly and require new sets of uniform more frequently.
- Parents of pupils with protected characteristics that may impact their ability to access the uniform due to costs.
- LAC and PLAC.

The Principal will evaluate the cost of the school uniform based on the overall collection of uniform items that parents would need to purchase for a pupil, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents will need to purchase multiples of certain items, e.g., shirts and socks, to ensure their child can come to school in clean uniform every day.

The Principal will ensure that there are no variations in the school uniform for different groups of pupils, e.g., year group-specific items, to ensure that pupils can get the most wear out of their uniform possible and that parents can pass some items down to younger siblings.

The school will not advocate any branded items of uniform. The school defines a branded uniform item as any item of clothing that cannot be purchased at a range of retailers, including by virtue of logos, colours, design and fabrics.

The school is committed to meeting the DfE's recommendations on costs and value for money. Every care is taken to ensure that our uniforms are affordable for all current and prospective pupils, and that the best value for money is secured through reputable suppliers.

The school will not amend school uniform requirements regularly and will take the views of parents and pupils into account when considering any changes to the school uniforms.

Equality Principles

The Trust takes its legal obligation to avoid discriminating against any protected characteristic unlawfully very seriously and aims to ensure that the uniform policy is as inclusive as possible so that all pupils are supported to access a school uniform which is comfortable, suitable for their needs, and reflects who they are.

The Trust will work to ensure that school uniform costs do not disproportionately affect any pupils by ensuring that uniforms for all genders are as equal in price as possible and by adhering to the cost principles laid out in section 3.

The Trust will ensure that parents and pupils are consulted over any changes to school uniform, and that views and advice is sought specifically from pupils, and parents of pupils, who:

- Are transgender, including non-binary pupils.
- Have SEND and/or sensory needs.
- Are of a religious or cultural background that has dress requirements.
- implements a gender-neutral uniform, meaning that pupils are not required to wear specific items based on their gender, and may wear any of the uniform items listed in the 'School Uniform' section of this policy regardless of the legal sex recorded on the school's records. Transgender pupils are supported to access the uniform that best reflects their gender expression.

BHA and MFS will ensure that pupils who are required to follow certain dress requirements, e.g., by virtue of their membership of a particular religious or cultural group, are afforded flexibility to allow them to wear a uniform that adheres to their requirements as far as possible. The school will endeavour to meet all requests for amendments to the uniform for these purposes; however, will ensure that the needs and rights of individual pupils are weighed against any health and safety concerns for the entire Trust community.

Parents' concerns and requests regarding religious clothing are dealt with on a case-by-case basis by the Principal and always in accordance with the Trust's Complaints Policy and Procedure.

The school will ensure that the needs of pupils with SEND and/or sensory difficulties are considered in the school uniform policy e.g., ensuring soft, stretchy fabrics and avoiding intricate buttons or hard seams; however, where the needs of these pupils cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and permitted wherever possible.

Complaints and Challenges

The Trust endeavours to resolve all uniform complaints and challenges locally and informally, in accordance with its Complaints Policy and Policy.

To make a complaint, parents should refer to the Complaints Policy and Procedures which can be found on the website and follow the guidance.

When a complaint is received, we will work with parents to arrive at a mutually acceptable outcome.

Principals are willing to consider reasonable requests for flexibility to allow a pupil to accommodate particular social and cultural circumstances.

School Uniform Supplier

BHA and MFS do not have a preferred uniform supplier. Parents and carers are able to purchase uniform from a range of retailers.
